

Legalise Cannabis - Vote Yes!

New Zealand will soon vote in a referendum to make cannabis legal. Here are five reasons to Vote Yes.

1 Prohibition has failed. We have one of the highest rates of cannabis use in the world. It's time we tried another approach.

2 Cannabis is safer. The adult use of cannabis is a safer choice than alcohol or tobacco, and should be treated that way.

3 Legal means controlled. Regulated sales would be restricted to adults. Rules would be set by regulators, not outlaws.

4 Tax revenue. Legal cannabis sales could raise hundreds of millions of dollars in taxes and create thousands of jobs.

5 Reduce harms. Legal cannabis products would be tested and clearly labeled. Providers would be responsible for consumer safety.
